

## Time to Change for the Better

The Alliance for Equality of Blind Canadians ([www.blindcanadians.ca](http://www.blindcanadians.ca)) is a national not-for-profit organization, promoting the inclusion of blind, partially sighted and deaf-blind Canadians in all aspects of society.

Toronto Chapter members and supporters in the Greater Toronto Area advocate for equal access to employment, elections, information and public spaces. Come join our peer support group and sharpen your influencing, speaking and organizing skills for positive change.
